

Rising River Farm

Animal Camp 2025

Animal Camp is a unique farm day camp experience for kids ages 5-13. Since 2006 we have hosted an interactive, self-directed, technology free, experience for the children of our community. Kids enjoy and learn about the farm animals: horses, goats, bunnies, chickens, cows, dogs, and cats. Campers may participate in horseback riding daily (weather permitting) this is a morning activity. The afternoons are spent playing games, crafting, and cooling off in the Chagrin River, which is both shallow & located on the property. We feature "Feed-em-Friday" when kids are permitted to bring carrots to feed the animals. All activities are supervised by experienced counselors, many of whom are Animal Camp graduates! Typical camper to counselor ratio is 4:1. Horseback riding helmets are available to borrow, sneakers or boots, water bottle, and lunch are required. We offer individual (Mon-Fri) sessions from 9-4:00 pick up by 4:30. Campers are welcome to participate in one, or multiple sessions. Animal Camp has a limit of approximately 30 campers per week. Please email Krista with any questions, requests or to schedule a tour.

Technology: Animal Camp is a technology free experience for campers. Please leave devices at home. **THIS INCLUDES SMART WATCHES.** Kids arriving with devices will be asked to leave them in their bag. Campers may take photos, or make a call if they ask. The farm may be contacted at 440-463-3156.

Footwear: CAMPERS MUST BE WEARING SNEAKERS OR BOOTS ON THE FARM. They must wear sneakers or boots at all times in the barn or any animal enclosure. If the foot or sock can

be seen through the footwear it is not appropriate. If the footwear is loose and quite easy to slip off of the foot (think keens/crocks) then they are not appropriate. The reason for appropriate footwear is to keep toes safe from animal hoofs, to avoid skin contact with animal feces, and to prevent sharp objects such as rocks from penetrating feet. Kids are encouraged to bring water shoes, keens, or crocks that may be worn in the river.

Clothing: Clothing needs to be appropriate for outdoor weather. Please send swim wear, or extra clothing and a towel. Kids get dirty and wet. We try to have them less dirty for pick up.

Hydration: Please send a reusable water bottle. Disposable water bottles should be labeled. Kids are reminded during the day to hydrate, eat, and use the restroom.

Lunch/Snacks: Please send a lunch and snack as appropriate for your child. We typically do not have food restrictions. On a rare occasion we may ask for allergen foods to be omitted from lunches. If you have a child with severe food allergies you may contact Krista via email.

Bee Stings: Bee stings happen occasionally. We are outside most of the day and pollinators are present on the farm. If your child has a severe allergy to bee stings Animal Camp may not be appropriate.
